PLANS FOR NEXT YEAR

Merch

LET'S GO CRAZY ON MERCH NEXT YEAR!

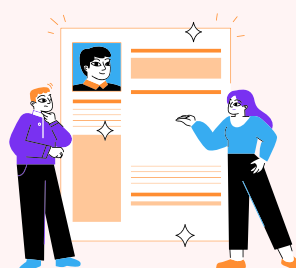

Informatics wide design competitions every quarter where you have a vote in what we order. More hoodies, water bottles, lanyards, everything. +Giveaways.

iParty

The time has come to socialize.

Before the pandemic Info used to have huge events where we would get together and have fun. On top of making iCruise bigger and expanding iBBQ, I want to bring back iBall – a winter gala event.

Recruitment

Lets get that bag.

Everyone is stressed about internships. As Outreach I've been meeting with recruiters for next year to plan more recruiting events RIGHT BEFORE their applications drop. As Pres I'll make sure that happens.
