- Washington State Opportunity Scholarship Baccalaureate Scholar (2022)
- WINFO Hackathon Finalist (2022)

I'M SHEAMIN KIM AND I'M RUNNING FOR CREATIVE DIRECTOR!

I am a first year undergraduate student with a passion for biotech and data visualization. I love the creativity that is not often associated with tech skills, and as a creative director, I would always strive to create designs that help students feel like they belong. In my spare time, I like to crochet, embroider, cook, and get boba with friends!
